Airnorth check-in to move in Melbourne Tullamarine's T4 Terminal

Airnorth would like to announce that all check-in operations will be moved to a temporary location within Melbourne Tullamarine's T4 terminal from **Tuesday the 30th of January** until **Friday the 9th of February**.

Due to modification works on the baggage belt of each counter, Airnorth will have to temporarily relocate to a mobile check-in cart at the southern end of the Jetstar check-in area.

For your reference, the new check-in counter has been highlighted on the map that features on the next page.

Airnorth's check-in counter is expected to resume its normal positioning next to Regional Express Airlines (REX) to the far left of Terminal 4 when maintenance work ceases following the 9th of February.
